**3. BID SUBMISSION INFORMATION AND REQUIREMENTS:**

*This section of the IFB includes information and instructions to the bidder that are integral to vendors offering a bid. The contents of this section are informational and instructional. Many of the instructional provisions require certain actions by the vendor in offering a bid.*

**3.1 Open Competition/Invitation For Bid Document:**

- 3.1.1 It shall be the bidder's responsibility to ask questions, request changes or clarification, or otherwise advise the DP&CS if any language, specifications or requirements of an IFB appear to be ambiguous, contradictory, and/or arbitrary, or appear to inadvertently restrict or limit the requirements stated in the IFB to a single source. Any and all communication from bidders regarding specifications, requirements, competitive bid process, etc., must be directed to the buyer from the DP&CS, unless the IFB specifically refers the bidder to another contact. Such e-mail, fax, or phone communication should be received at least ten (10) calendar days prior to the official bid opening date.
- 3.1.2 Every attempt shall be made to ensure that the bidder receives an adequate and prompt response. However, in order to maintain a fair and equitable procurement process, all bidders will be advised, via the issuance of an addendum to the IFB, of any relevant or pertinent information related to the procurement. Therefore, bidders are advised that unless specified elsewhere in the IFB, any questions received less than ten (10) calendar days prior to the IFB opening date may not be answered.
- 3.1.3 Bidders are cautioned that the only official position of Clay County shall be that which is issued by the DP&CS in the IFB or an addendum thereto. No other means of communication, whether oral or written, shall be construed as a formal or official response or statement.
- 3.1.4 The DP&CS shall have the right to officially amend or cancel an IFB after issuance. It shall be the sole responsibility of the bidder to monitor the Clay County Current Bidding Opportunities website at: <https://www.claycountymo.gov/bids/current> to obtain a copy of the addendum(s).
- 3.1.5 Unless otherwise specifically stated in the IFB, all specifications and requirements constitute minimum requirements. All bids must meet or exceed the stated specifications and requirements.
- 3.1.6 Unless otherwise specifically stated in the IFB, any manufacturer names, trade names, brand names, information and/or catalog numbers listed in a specification and/or requirement are for informational purposes only and are not intended to limit competition. The bidder may offer any brand which meets or exceeds the specification for any item, but must state the manufacturer's name and model number for any such brands in the bid. In addition, the bidder shall explain, in detail, (1) the reasons why the proposed equivalent meets or exceeds the specifications and/or requirements and (2) why the proposed equivalent should not be considered an exception thereto. Bids which do not comply with the requirements and specifications are subject to rejection without clarification.
- 3.1.7 Bids lacking any indication of intent to offer an alternate brand or to take an exception shall be received and considered in complete compliance with the specifications and requirements as listed in the IFB.
- 3.1.8 All equipment and supplies offered in a bid must be new, of current production, and available for marketing by the manufacturer unless the IFB clearly specifies that used, reconditioned, or remanufactured equipment and supplies may be offered.
- 3.1.9 Prices shall include all packing, handling and shipping charges FOB destination, freight prepaid and allowed unless otherwise specified in the IFB.

### 3.2 Preparation and Submission of Bids:

3.2.1 **Bid Organization:** In order to provide optimal readability of their bid by evaluators, bidders are strongly encouraged to organize their bid in **Tabbed Sections** as indicated below. Bidder's bid should be well-organized, straightforward, and easy to review.

a. Tabbed Sections should be as follows:

- 1) **Tab 1:** Signed IFB Cover Page and any IFB Addendum Cover Pages
- 2) **Tab 2:** Table of Contents
- 3) **Tab 3:** Transmittal Letter/Executive Summary
- 4) **Tab 4:** Copy of the IFB with Vendor's initials on each page pursuant to IFB paragraph 4.2.2 c.
- 5) **Tab 5:** Exhibit A – Pricing Pages
- 6) **Tab 6:** Exhibit B – Experience
- 7) **Tab 7:** Exhibit C – Domestic Product Certification (Buy American)
- 8) **Tab 8:** Exhibit D – Miscellaneous Information

3.2.2 **Conciseness/Completeness of Bid:** It is highly desirable that the bidder respond in a complete, but concise manner.

- a. **It is recommended that bidders respond to each item or paragraph of the IFB in sequence.** Items not needing a specific vendor statement may be responded to by concurrence or acknowledgement; no response shall be interpreted as an affirmative response or agreement to the Clay County provisions and conditions. Reference to handbooks or other technical materials as part of a response **must not** constitute the entire response and vendor must identify the specific page and paragraph being referenced.
- b. Bidders **must** examine the entire IFB carefully. Failure to do so shall be at bidder's risk.
- c. All bid documents must be submitted in full (all pages of the IFB shall be either signed or initialed) to be considered responsive. All information must be legible. Any and all corrections and/or erasures must be initialed. Each bid must be signed in ink by an authorized representative of the proposer and required information must be provided. The contents of the bid submitted by the successful vendor of this IFB shall include all bid documents and shall become a part of any agreement award as a result of this solicitation. **The bidder shall initial all pages where the document denotes "Vendor's Initials: \_\_\_\_".** Any bids not complying to this condition may be considered non-responsive and rejected.

3.2.3 **Bid Copies:** **The bidder's bid should include an original document, plus two (2) copies for a total of three (3) hard copy documents.** In addition, the bidder should include two (2) complete electronic copies of their bid in Microsoft compatible format or in .pdf on CD(s) or flash drive(s).

- a. The bidder should ensure all copies and all media are identical to the bidder's hardcopy original bid. In case of a discrepancy, the hardcopy shall govern.

Vendor's Initials: \_\_\_\_\_

- b. The front cover of the original hard copy bid should be labeled “**original**” and the front cover of all copies should be labeled “**copy**.”
- c. Both the original and the copies should be printed on recycled paper and double sided. All bids and copies should minimize or eliminate the use of non-recyclable materials such as plastic report covers, plastic dividers, vinyl sleeves and binding.

3.2.4 Confidentiality of Bid Information and Delivery Submission: Each bid must be submitted in or under cover of a sealed envelope or package to provide confidentiality of the information enclosed. The outside of the envelope/package should be clearly marked with IFB number and the name of the project (IFB Title) as well as the bid return due date listed. All bids submitted in response to this IFB shall become the property of the County and a matter of public record.

- a. All bids and supporting documents will remain confidential until the bid opening. At the bid opening, the bidder’s name, company location, and pricing shall be disclosed.
- b. Open Records: **The bidder shall not submit the entire bid as proprietary or confidential.** The bidder may submit a part of the bid as confidential, but only if the proprietary or confidential nature of the material is provided for in RSMo 610.021. Proprietary or confidential portions of the bidder’s bid allowed by the statute must be separated, sealed, and clearly marked as confidential within the bidder’s bid. Also, the bidder should provide adequate explanation of what qualifies the material to be held as confidential pursuant to the provisions of RSMo 610.021 which may be viewed at the following web site link: <http://www.moga.mo.gov/statutes/C600-699/6100000021.HTM>. In the event the vendor claims portions of their bid response as “confidential”, the contractor shall be requested to state prior to contract award that they will defend any action by the public disclaiming such confidentiality.
- c. The bidder must allow sufficient time for processing through the County’s internal mailroom system. Electronic or faxed bids shall not be considered unless authorized by the Invitation For Bid.

3.2.5 Mailing Instructions: a “SEALED BID LABEL” is provided in Attachment 2, which should be affixed to the bidder’s bid response. This label should be affixed to the outside of the envelope or package, even if it is a “No Bid” response. Failure to attach the label may result in the bidder’s bid response being opened in error or not being routed the proper location for consideration. No bid shall be accepted after the bid closing date and time specified on the cover page of the IFB. Late bid responses shall be marked “LATE” and not opened nor given evaluation consideration for potential contract award. **IT SHALL BE THE BIDDER’S RESPONSIBILITY TO ENSURE THAT EACH BID RESPONSE HAS BEEN RECEIVED IN A TIMELY MANNER.**

3.2.6 Compliance with Requirements, Terms and Conditions: **Bidders are cautioned that Clay County shall not award a non-compliant bid.** Consequently, any bidder indicating non-compliance or providing a response in conflict with mandatory requirements, terms, conditions or provisions of the IFB shall be eliminated from further consideration for award unless the County determines there is a need to waive a minor technicality.

- a. The bidder is cautioned when submitting pre-printed terms and conditions or other type material to make sure such documents do not contain terms and conditions which conflict with those of the IFB and its contractual requirements.
- b. In order to ensure compliance with the IFB, the bidder should indicate agreement that, in the event of conflict between any of the bidder's response and the IFB requirements, terms and conditions, the IFB shall govern. Taking exception to the County's terms and conditions may render a bidder's bid response as non-responsive and remove it from consideration for award.

Vendor’s Initials: \_\_\_\_\_

- c. Bidders shall deliver a hard copy bid to DP&CS and must sign and return the IFB cover page or, if applicable, the cover page of the last amendment thereto in order to constitute acceptance by the bidder of all IFB terms and conditions. Failure to do so may result in rejection of the bid unless the bidder's full compliance with those documents is indicated elsewhere within the bidder's response.

3.2.7 Bid Response Modifications: A bid which has been delivered to the DP&CS office, may be modified by signed, written notice which has been received by the DP&CS prior to the official opening date and time specified. A bid may also be modified in person by the bidder or its authorized representative, provided proper identification is presented before the official opening date and time. Telephone or telegraphic requests to modify a bid shall not be honored.

3.2.8 Bid Response Withdrawals: A bid which has been delivered to the DP&CS office, may only be withdrawn by a signed, written document on company letterhead transmitted via mail, e-mail, or facsimile which has been received by the DP&CS prior to the official opening date and time specified. A bid may also be withdrawn in person by the bidder or its authorized representative, provided proper identification is presented before the official opening date and time. Telephone or telegraphic requests to withdraw a bid shall not be honored.

- a. A bid may also be withdrawn after the bid opening through submission of a written request by an authorized representative of the bidder. Justification of withdrawal decision may include a significant error or exposure of bid information that may cause irreparable harm to the bidder.

3.2.9 Prohibition of Electronic Submissions of Bid Responses: Faxed or e-mailed bid responses **shall not** be accepted, unless otherwise specified in the IFB. However, faxed and e-mail "no bid" notifications shall be accepted.

### 3.3 Bid Opening:

3.3.1 Bid openings are public on the opening date and at the opening time specified on the IFB document. At the bid open date and time, all bids received will be formally opened. The names, location (City, State) of the bidders, and the bid response pricing shall be read at the bid opening. The contents of the bid responses shall be disclosed at this time. No decisions relating to the award of a contract will be made at the opening.

3.3.2 Bids which are not received in the DP&CS office prior to the official opening date and time shall be considered late, regardless of the degree of lateness, and normally will not be opened. **All bids must be time stamped in at the Commission Front Desk Reception area located at: 1 Courthouse Square, 3<sup>rd</sup> Floor, Liberty, MO 64068.** Late bids may only be opened under extraordinary circumstances as indicated below:

- a. Under extraordinary circumstances, the Purchasing Agent or designee, may authorize the opening of a late bid. In such cases, the bid must have been turned over to the physical control of an independent postal or courier service with promised delivery time prior to the time set for the opening of bids. All such decisions are at the sole discretion of the Purchasing Agent or designee.
- b. The following guidelines may be utilized to determine the criteria for an extraordinary circumstance:
  - 1) County offices were closed due to inclement weather conditions;
  - 2) Postal or courier services were delayed due to labor strikes or unforeseen "Acts of God"; or
  - 3) Postal or courier service did not meet delivery time promised to the bidder. In such a case, the bidder must provide written proof that promised delivery time was prior to the time set for the opening of bids.

**3.4 Bid Expiration:**

- 3.4.1 All bid responses shall be considered as firm and valid for a period of ninety (90) calendar days, commencing the date and time of the IFB closing return date and expiring at 5:00 p.m. of the last day. If County extends a closing date through an addendum; the ninety (90) calendar days shall start from the extended closing date.
- 3.4.2 Unless withdrawn, as provided in this IFB, a bid response shall be binding on the vendor, and may be received by the County at any time up to and including the proposed IFB closing return date.

**3.5 Preferences:**

- 3.5.1 In the evaluation of bids, preferences shall be applied in accordance with applicable County Ordinances, applicable Missouri statutes and applicable Executive Orders. Contractors should apply the same preferences in selecting subcontractors.
- 3.5.2 By virtue of statutory authority, a preference will be given to materials, products, supplies, provisions and all other articles produced, manufactured, made or grown within the state of Missouri and to all firms, corporations or individuals doing business as Missouri firms, corporations or individuals. Such preference shall be given when quality is equal or better and delivered price is the same or less.

**3.6 Determination for Award:**

- 3.6.1 The award shall be made to the lowest and best priced responsive bidder. The determination of the lowest price responsive bidder shall include consideration of the Domestic Product Procurement Act. Awards shall be made to the bidder whose bid (1) complies with all mandatory specifications and requirements of the IFB and (2) is the lowest and best priced bid, responsibility of the bidder, and all other evaluation criteria and/or preferences specified in the IFB.
- 3.6.2 The County reserves the right to reject any bid which is determined unacceptable for reasons which may include but are not necessarily limited to: 1) failure of the bidder to meet mandatory general performance specifications; and/or 2) failure of the bidder to meet mandatory technical specifications; and/or, 3) receipt of any information, from any source, regarding delivery of unsatisfactory product or service by the bidder within the past three years. As deemed in its best interests, the County reserves the right to clarify any and all portions of any bidder's offer.
- 3.6.3 Any clerical error, apparent on its face, may be corrected by the buyer before contract award. Upon discovering an apparent clerical error, the buyer shall contact the bidder and request clarification of the intended bid. The correction shall be incorporated in the notice of award. Examples of apparent clerical errors are: 1) misplacement of a decimal point; and 2) obvious mistake in designation of unit.
- 3.6.4 Any pricing information submitted by a bidder shall be subject to evaluation if deemed by the DP&CS to be in the best interest of Clay County.
- 3.6.5 Pricing shall be evaluated at the maximum potential financial liability to Clay County.
- 3.6.6 In the event all bidders fail to meet the same mandatory requirement in an IFB, DP&CS shall have the right, at its sole discretion, to waive that requirement for all bidders and to proceed with the evaluation. In addition, the DP&CS shall have the right to waive any minor irregularity or technicality found in any individual bid.
- 3.6.7 The DP&CS shall have the right to reject any and all bids.

Vendor's Initials: \_\_\_\_\_

- 3.6.8 When evaluating a bid, the County shall have the right to consider relevant information and fact, whether gained from a bid, from a bidder, from bidder's references, or from any other source. Any information submitted with the bid, regardless of the format or placement of such information, may be considered in making decisions related to the responsiveness and merit of a bid and the award of a contract.
- 3.6.9 Bidders who include an e-mail address with their bid will be notified of the award results via e-mail.
- 3.6.10 The DP&CS shall have the right to request clarification of any portion of the bidder's response in order to verify the intent of the bidder. The bidder is cautioned, however, that its response may be subject to acceptance or rejection without further clarification.
- 3.6.11 The final determination of contract(s) recommendations for award shall be made by DP&CS with signature approval from the County Commission for any awarded contract(s).
- 3.6.12 Bid Presentation and/or Solution Demonstration: After an initial screening process, a bid presentation and/or a solution demonstration may be conducted with the bidder, if requested by the DP&CS. Attendance cost shall be at the bidder's own expense. All arrangements and scheduling shall be coordinated by the DP&CS.
- 3.6.13 Approval of Award Determination: Any award of a contract must be approved by the County Commissioners and shall be made by notification from the DP&CS to the successful bidder. Clay County shall have the right to make awards by item, group of items, or an all or none basis. Clay County may make awards to multiple vendors. The grouping of items and/or multiple vendor awards shall be determined by Clay County based upon factors such as item similarity, location, administrative efficiency, or other considerations in the best interest of Clay County.

### **3.7 Evaluation of Cost:**

**4.14 Remedies and Rights:**
